# Scout Campers Selects Expion360 as Provider of Advanced Lithium Battery Solutions

Oct 01, 2024

*Expion360 Group 27 132Ah VHC Internally Heated Lithium Battery to Come Standard in all Campers*

REDMOND, Ore., Oct. 01, 2024 (GLOBE NEWSWIRE) -- Expion360 Inc. (Nasdaq: XPON) ("Expion360" or the "Company"), an industry leader in lithium-ion battery power storage solutions, today announced a new partnership with Scout Campers, a subsidiary of Adventurer Manufacturing, Inc. As part of this collaboration, Scout Campers will equip their high-quality campers with Expion360's advanced lithium-ion batteries as a standard option, enhancing the energy efficiency and reliability of their products.

Starting with model year 2025 production, each camper built by Scout Campers will feature a single Group 27 132Ah VHC internally heated lithium battery from Expion360. This state-of-the-art battery technology provides superior performance, longevity and safety, ensuring that Scout Campers' customers enjoy a reliable power source for their outdoor adventures. Additionally, customers will have the option to upgrade the power capacity of their camper by adding a second Expion360 battery, further enhancing their off-grid capabilities.

Expion360's VHC technology in the Group 27 132Ah lithium-ion battery is designed to maintain optimal performance in a variety of conditions, including extreme temperatures. The internal heating feature ensures that the battery remains functional and efficient, even in cold weather, providing Scout Campers' customers with a dependable, consistent power supply during their travels.

"We are excited to partner with Scout Campers and provide our lithium-ion batteries as a standard feature in their campers," said Brian Schaffner, Chief Executive Officer of Expion360. "This partnership reflects our commitment to delivering cutting-edge energy solutions that meet the evolving needs of outdoor enthusiasts. Scout Campers' reputation for quality and innovation aligns perfectly with our mission, and we are excited to support their customers with reliable, high-performance power solutions."

**About Scout Campers**

Scout Campers, a division of Adventurer Manufacturing, Inc., offers a range of versatile truck campers designed to inspire outdoor adventures. Scout Campers has a strong tradition of crafting durable, lightweight, and customizable truck campers that are perfect for modern explorers. For more information, visit Scout Campers.

**About Expion360**

Expion360 is an industry leader in premium lithium iron phosphate (LiFePO4) batteries and accessories for recreational vehicles and marine applications, with residential and industrial applications under development. On December 19, 2023, the Company announced its entrance into the home energy storage market with the introduction of two premium LiFePO4 battery storage systems that enable residential and small business customers to create their own stable micro-energy grid and lessen the impact of increasing power fluctuations and outages. Please find the press release here.

The Company's lithium-ion batteries feature half the weight of standard lead-acid batteries while delivering three times the power and ten times the number of charging cycles. Expion360 batteries also feature better construction and reliability compared to other lithium-ion batteries on the market due to their superior design and quality materials. Specially reinforced, fiberglass-infused, premium ABS and solid mechanical connections help provide top performance and safety. With Expion360 batteries, adventurers can enjoy the most beautiful and remote places on Earth even longer.

The Company is headquartered in Redmond, Oregon. Expion360 lithium-ion batteries are available today through more than 300 dealers, wholesalers, private-label customers, and OEMs across the country. To learn more about the Company, visit expion360.com.
